

NZ Bumblebee Conservation Trust

NEWSLETTER

Autumn 2023

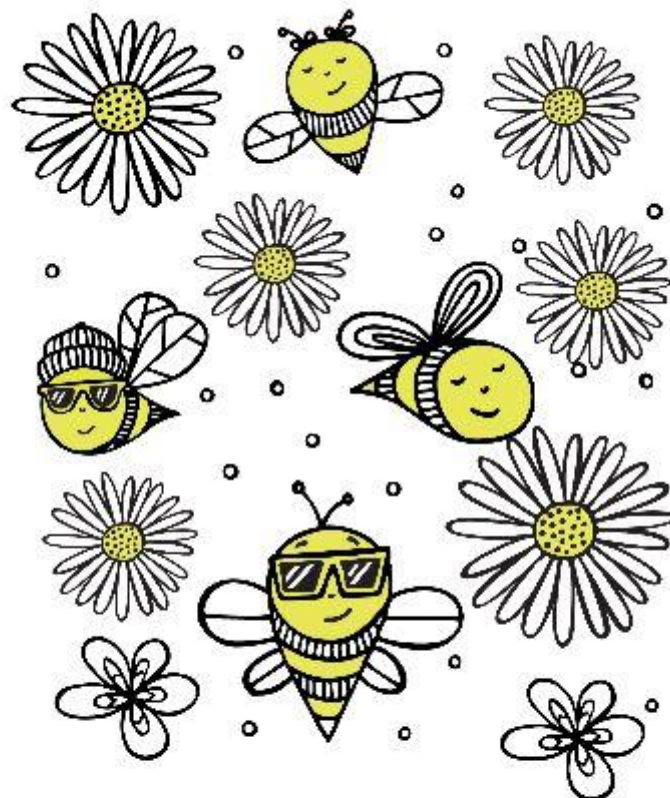

Aaah I love bumblebees.... we heard this many times at the recent Tauranga Home Show when the visitors saw our live display. The children were fascinated. This wee boy is learning all about bumblebees - it's never too early to start learning!

The Trustees have been busy bees out and about sharing about our big buzzy friends at the Tauranga Home Show and Geoff has given education talks at various groups/garden groups over the last couple months.

Here are a few products you can buy online to help the Bumblebee Trust.

NZ Bumblebee
Conservation Trust

Bee seen... with the brightly coloured cotton tote bag.

[Buy online](#) for just \$10.00 each

Non-fiction children's book that takes you on an amazing bumblebee discovery, that will help children, and the young at heart, understand the important role bumblebees play in growing our delicious foods and in our ecosystem.

The New Zealand Bumblebee Conservation Trust is delighted to be associated with the publication and message of this book by Rachel Weston.

Welcome. We look forward to your help in growing the sounds of summer.

Help Support our Bumblebees

The future of bees in NZ is under threat. Bees are dealing with disease, battling changing environments, reduced green space and increasing use of toxic pesticide sprays.

YOU CAN HELP - Click on the bee and become a member today.

A small donation or subscription will go towards our education and conservation programmes.
